shout 7,660 persons and managed to der from mourators, the right find time for two short majo. He left have as one factor relativity into the factor of the net our doors.

Discussing the administration's not.

We are grown to make the

Description for Charage.

Descripting the administration about the still Mexica, Re. Hughes and

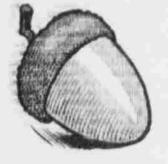

We had certain things that we had a right to demand of Nextee, and there was a proper way in Generalising there we aproper way in Generalising there. We should have said that we had no property of American of the large and of the protection of the large and that protection of the large and the second process to the second process to the large and the second process to the large and the l the protection of American rights and that American rights are not as wage war, upon an individual and try fraction, in policy, and in order to take control of Mexican affairs in honored throughout the world the inferent of what of thing they

the interest of what we think they should be.

That was precisely what was done.
We did not content ourselves with non-precise to be determined according to the determined according to the interest and the interest of the interest of the expecting of the elecutive as to the capacity of that powerful to determined, and if it is not proper principles, according to the interest and the elecutive as to the expecting of the elecutive as to the expecting of the elecutive as to the expecting of that powerful to the elecutive as to the expecting of that powerful to the elecutive as to the expecting of that powerful to the elecutive as to the expecting of the elecutive as to the expecting of the elecutive as to the expectation of the elecutive as to the electric terminate of the electric terminates the electric terminates the electric terminates the electric terminates of the electric terminates the electric termina enate protection and discharge inter-national shingstions. But our admin-

istration said to Riverta.
You get out. You can't even be a emplicate. We won't allow you to

of a properly manaked military expe-dition? It went down between two lines of rallroads; it sould not use either. Our American troops went

men and women.

Good flavor and the essential nourishing elements for mental and physical development of children are found in the famous food-

Grape-Nuts

Made of whole wheat and malted barley, this pure food supplies all the mitriment of the grains in a most easily digested form,

It does the bears good to see little folks enjoy Grape-Nuts and cream.
